CONSULTATION REFERRAL

Patient	TREMBLAY-GAGNON, Étienne	DOB	1996-01-30 (29 M)
Health card	2168-990-337 ET	Phone	416-555-1320
Address	500 College St, Toronto ON M6G 1A9		
Referred to	Dr. A. Patel - Urology Associates of Ontario, 500 University Ave, Toronto ON		
Date	2026-06-19	Referring MD	Dr. K. Amin, CCFP

Reason for referral: 29M with painless right testicular mass - URGENT, please assess to rule out testicular tumour.

Dear Dr. Patel,

Mr. Tremblay-Gagnon noticed a painless, firm right testicular lump three weeks ago, gradually enlarging. No trauma, no infection. Scrotal ultrasound demonstrates a hypoechoic intratesticular mass. Tumour markers are attached. Given concern for a germ-cell tumour I am referring urgently and would appreciate expedited assessment.

PAST MEDICAL HISTORY	MEDICATIONS
• Cryptorchidism (right, orchidopexy in childhood)	• None
PAST SURGICAL HISTORY	SOCIAL HISTORY
• Right orchidopexy (age 3)	Non-smoker. Alcohol socially. Graphic designer. Single.
ALLERGIES	FAMILY HISTORY
• No known drug allergies	Non-contributory.

EXAMINATION

Firm, non-tender ~2.5 cm right intratesticular mass, does not transilluminate. Left testis normal. No inguinal nodes.

Thank you for seeing this patient. Please do not hesitate to contact me with any questions. Relevant investigations are attached.

Kind regards,

Dr. K. Amin, CCFP

Lakeshore Diagnostic Imaging

Diagnostic Imaging Report

Patient: TREMBLAY-GAGNON, Étienne	DOB: 1996-01-30	Exam date: 2026-06-16
Exam: Scrotal Ultrasound	Referring: Dr. K. Amin, CCFP	Acc: 213143

CLINICAL HISTORY: Right testicular mass.

FINDINGS: Well-defined heterogeneous hypoechoic intratesticular mass in the right testis measuring 2.6 x 2.2 x 2.0 cm with internal vascularity. Left testis normal. Small right hydrocele. No inguinal lymphadenopathy on limited views.

IMPRESSION: Right intratesticular solid vascular mass - highly suspicious for testicular germ-cell tumour. Urgent urology referral advised.

Dictated and electronically signed by Radiologist. This report has been reviewed.
